

Join the 2024 Employee Referral Challenge: Help Us Reach 10!

Call to Action - Help Make a Difference: Expand our Referral network by connecting us with potential partners. Your referrals could be key to our growth in 2024!

Earn Rewards: You can earn **up to \$200** for each successful referral!

Our Goal: To reach **10** total Referral Partners by the **End of 2024!**

Be part of this exciting initiative and help us reach our goal by identifying and referring companies or individuals who could be valuable partners in our sales territories. We currently have 4 Referral partners and are shooting for 6 more before the end of 2024.

Here's How You Can Get Involved:

1. Identify a Prospective Partner:

- Identify companies or individuals who could be a valuable addition to our referral network in one or more of our Sales Territories. The referral program rewards partners for referring CAD, Mobile, and/or RMS opportunities to Caliber that we aren't actively working.
- Submit referral details to **Todd Thompson** and provide an initial introduction to get the conversation started.

2. Receive Your First Reward:

- Earn **\$100** gift card when your referral successfully joins as a Referral Partner.

3. Earn More:

- Gain another **\$100** gift card when your referral achieves their first qualified opportunity in 2024.

Act Fast: This campaign runs until the end of 2024 or until we hit our target of 10 referral partners, whichever happens first.

Don't miss out on this chance to contribute to our company's growth and earn rewards!

Contact [Todd Thompson](#) directly if you have any questions about this exciting challenge to help grow our referral network.
