Winston-Salem, NC 27101

The following list provides brief descriptions of the changes included in the May 7, 2013 release.

Product Change Notice for Online RMS 10.14.2

Enhancements

SCR21972 UCR Persons Arrested, Age, Sex, and Race of Persons Arrested: The following reports are now available:

Persons Arrested - Adults

Persons Arrested - Juveniles

A person must be arrested. Recommend that race and ethnic origin be set for arrestee, but they are optional.

SCR22864 Ad Hoc Reports, Add Topic for ODL: The following Officer Daily Topics were added:

Officer Daily Topic - lists assignments, officers, vehicles, equipment, and activity header information.

Officer Daily Vehicle Topic - lists vehicle usage from an assignment.

Officer Daily Equipment Topic - lists equipment usage from an assignment.

Officer Daily Activity Topic - lists activity information.

Access Open Ad Hoc Tool. Go to Public /Shared Resources/Topics. Create an Ad Hoc View to view all fields available.

SCR22865 Ad Hoc Reporting, Add Reporting Area to Topics: Reporting Area included in the following topics:

Calls for Service Topic

Evidence Topic

Field Arrest Topic

Field Arrest Charges Topic

Field Contact Topic

Incident Topic

Incident Offender Evidence Topic

SCR23157 Field Contacts, Could not view nor download attachments in view mode: Download of attachments on the view page is now supported.

SCR23162 Field Arrest, Search page did not include status: Status is now displayed on the search page next to the arrest number field. The Status column is included on the search results page, and it can be sorted.

SCR23173 Field Arrests, Remove “View” from the printed report title: Issue resolved.

Performance and Usability

SCR23057 ISP, Selecting My Cases (Active Count) from the home screen performance issue: Improvements were made to query joins and ordering. A noticeable improvement to performance was observed.

SCR23206 Chrome Alert Message Alignment: Adjusted the padding on the yes and no buttons in the popup dialog to be the same.

SCR23334 Ad-Hoc Topics, New Officer Daily Activities Topic: Ad Hoc Reporting - Add New Topics. Open Ad Hoc Tool. Select Officer Daily Activities Topic to display the newly added Activity Count, Activity description, Category and Activity Comment.

SCR23338 CAD Interface performance issue: Performance improved from 5+ minutes to less than 30 seconds.

Fixes

SCR22334 UCR Arrest Report, Total Verification: Totals verified.

SCR22732 Clery Daily Crime Log, Report Issue: Resolved with hot fix.

SCR22809 Reports, Uniform crime report data for all file classes not showing: Issue resolved.

SCR22992 Quicklink Correction, Approve Incident Report Access: Issue resolved.

SCR22997 Collapse Records Issue: An enhancement was applied to prevent the collapsing of a primary address record into itself, if the record was selected as a duplicate. A message now displays stating that the primary record matched a collapsed record and that nothing will occur for this record

SCR23044 Civil Process, Filed and Received Date Display Issue: Time zone conversion occurred when the system was trying to display the dates. The issue did not impact the data saved on the records.

SCR23054 PDF Blue Bubble Pop-up did not work on View Person Page only on Edit Page: Issue resolved.

SCR23062 Warrant Search, Warrants were appearing multiple times in search results: Issue resolved.

SCR23092 Searching, Initiate Search by pressing the Enter key: This function is now supported on the Incident search page as well as the Master person search.

SCR23094 Clery Annual Statistical Report: Run report error resolved with hot fix.

SCR23131 UCR Reports, Label Misspelling Corrected: Issue resolved by changing “Revovered” to “Recovered” in Supplement to Return A report.

- SCR23151** When an incident was deleted, associated incident notifications were not deleted. When an incident is deleted now, all the following notifications are also deleted:
- INCOMPLETE INCIDENT REPORT
 - APPROVE INCIDENT REPORT - PATROL
 - APPROVE INCIDENT REPORT - CID
 - INCIDENT REPORT ASSIGNED
 - INCIDENT REPORT TRANSFERRED
 - INCIDENT REPORT TRANSFERRED - CLERK
 - DISAPPROVED INCIDENT REPORT
 - INCIDENT REQUIRES UCR VALIDATION
 - INCIDENT REPORT OPENED FOR EDIT
 - WARRANT / CHARGE REQUEST
 - INCIDENT APPROVED - FOLLOW UP CASE DECISION NEEDED
 - HIGH PRIORITY INCIDENT APPROVED – FOR YOUR CONSIDERATION
- SCR23155** Incident Reports, Select Officer Last Name Issue: Searches by officers' last names are now supported.
- SCR23168** Evidence Processing Comment, Pop-up bubble did not display entire text: Issue resolved.
- SCR23175** Field Arrests, Circumstances of Arrest: Text is no longer cut off the printed report; however, the Field Arrest Custom Fields must be de-activated/re-activated for the change to take effect.
- SCR23178** Incident Delete, Could not delete incidents without an address and offenses: Issue resolved.
- SCR23182** Incident / Case status update, Incident Status DATE not updating: Issue resolved.
- SCR23221** UCR ASR Juvenile Report: Now available
- SCR23237** Daily Roster did not display parameters: Issue resolved.
- SCR23260** Field Arrest, Wild Card Name Search Enhancement: Wildcards are automatically appended to last and first names. User no longer needs to add a percent symbol (%).
- SCR23321** Officer Daily Log, Error during template creation: Issue resolved.
