## TABLE OF CONTENTS

## INTRODUCTION

This document provides an overview of the software changes delivered in the 11.1.2 release of the Online RMS product and will assist with release preparation activities including:

- Internal staff training

- Customer release training

- Customer release notes

- Release announcement and promotion

- Online help and eLearning updates

- Updates to web site product information and product collateral

## PRODUCT REQUIREMENTS

For best performance, we recommend a computer, laptop, or tablet purchased within the last 3 years; running an industry popular web browser that is actively supported by the browser manufacturer and connects to the internet using DSL, Cable, or 4G cellular. The browser must support **TLS 1.2** or higher.
